TIMBERS ESTATES METROPOLITAN DISTRICT 2023 BUDGET MESSAGE

Timbers Estates Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed in 1984. The District was organized to provide street improvements, safety protection and water services to property within its service area. During the fiscal year 2023, the District will continue to provide maintenance and repair of the street improvements, safety protection and water services.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2023 budget, the following goals are foremost for the District:

- Provide the level of services as desired by the property owners and residents of the District in the most economic manner possible.

Overview

Highlights of the 2023 budget include the following:

- The District's assessed valuation decreased by \$97,316 from prior year.
- District voters previously approved a mill levy sufficient to generate property tax revenue not to exceed \$120,000. As a result of the District's decreased assessed valuation, the mill levy increased from 46.804 to 48.650 for 2023.

General Fund

Revenue

The District has an assessed value of \$2,466,564 and a certified mill levy of 48.650 mills, resulting in property tax revenue of \$119,998. Additional revenue in the amount of \$9,400 consists of \$8,400 in specific ownership tax and \$1,000 in interest and other income.

Expenses

The District has general and administrative expenses budgeted in the amount of \$152,481, a decrease of \$12,247 over the 2022 amended budget. While the District had increases in costs for administrative and landscape expenses of \$20,550 and \$3,636 respectively, they were offset by decreases in fire mitigation, snow plowing, Gate House expenses and Transfer to Divergent Fund of \$11,975, \$9,481, \$4,571 and \$10,118 respectively.

Fund Balance/Reserves

The District has provided for an emergency reserve fund equal to at least 3% of the fiscal year spending for 2023, as defined under TABOR.

Capital Enterprise/Divergent Fund

Revenue

The District has budgeted \$18,498 in Special Water Charges and transfers from the General Fund amounting to \$24,553 totaling to a budgeted amount of \$43,051 in revenue.

Expenses

The District has budgeted administrative and operations costs of water services in the amount of \$81,326, an increase of \$40,111 over the 2022 projected budget. This increase is primarily attributable to a \$51,421 increase in the estimated utilities expense that includes the cost of a new pump. The Diversion expense has decreased by \$12,000 for 2023.
